

This is to serve notice that on Tuesday, September 17, 2002 Karen Rheuban, Medical Director, Office of Telemedicine at the University of Virginia, Gene Sullivan also of the University of Virginia and I met with Marsha McBride, Chief of Staff and Robert Pepper, Director of Planning for the FCC regarding the Notice of Proposed Rulemaking regarding the Rural Health Support Mechanism (Docket #02-60).

During the meeting we reviewed the comments that were previously filed on behalf of the American Telemedicine Association as well as those filed by the University of Virginia.

Jonathan D. Linkous
Executive Director
American Telemedicine Association
